GAZETTE NUMBER 33121 – NOTICE 314 OF APRIL 2010**

**1. INTRODUCTION**

We thank ICASA ("the Authority") for granting us the opportunity to comment on the draft regulations ("the regulations").

We have made specific comments on the regulations.

**2. SPECIFIC COMMENTS**

We request that the definition of wholesale service be extended to read as follows:

"Wholesale service" means a service that an electronic communications service (ECS) or electronic communications network services (ECNS) licensee offers other ECS, ECNS licensees or licence exempt PECNs.

**3. CONCLUSION**

Eskom would like to extend its appreciation to the Authority for the opportunity to influence the provisions of the regulations. We trust that our comments have been constructive and that they are of assistance in finalising the regulations. In the event that further clarification or information is required, Eskom would be more than happy to provide same.
