PUBLIC WRITTEN SUBMISSIONS ON THE COST TO COMMUNICATE IN SOUTH AFRICA

The Portfolio Committee on Telecommunications and Postal Services will embark on public hearings on the Cost to Communicate in South Africa and hereby invites interested parties to make written submissions in order to participate during the hearings from **20 - 21 September 2016** in Parliament. The Committee has recognised that despite reduced mobile termination rates (MTRs), the cost to communication in South Africa is still high and competition remains fragmented.

All written submissions must reach the office of the Committee Secretary on or before 13 September 2016 at 12:00.

Email submissions to Committee Secretary, **Ms H Salie** on e-mail address **hsalie@parliament.gov.za**.
Enquiries: **(021) 403 8264** or **0614729191**.

Issued by Ms MT Kubayi, MP, Chairperson of the Portfolio Committee on Telecommunications and Postal Services.
