To Whom It May Concern

**RE: RELEASE OF SHORT QUESTIONNAIRE ON TELECOMMUNICATIONS/ICT STATISTICS**

1. The Independent Communications Authority of South Africa (the "Authority") hereby notifies you of the release of the ITU Short Questionnaire on ICT statistics.
2. The Authority requests licensees to complete the accompanying questionnaire to assist the Authority in collating information on the South African ICT statistics as per South Africa's International Telecommunication Union (ITU) obligations.
3. The ITU collects data for World Telecommunication/ICT Indicators from member countries, usually the countries' telecommunication regulatory authority or ministry, by means of two annual standard questionnaires (short and long questionnaire).
4. The data collected is used to update the World Telecommunication/ICT Indicators database, which is the basis of ITU's statistical publications, including the Yearbook of Statistics and the World Telecommunication/ICT Development Report.
5. The short questionnaire, which consists of six indicators, requires statistical information in the following areas:
  - fixed and mobile telephone subscribers;
  - fixed and mobile broadband subscribers;
  - International internet bandwidth.

**Dr SS Mncube (Chairperson), NA Batyi, MR Mohlaloga, KGS Pillay (Councillors),  
PK Pongwana (CEO)**

6. The questionnaire must be submitted to the following address [ictindicators@icasa.org.za](mailto:ictindicators@icasa.org.za).
7. **The deadline for submission of the populated questionnaire to the Authority is 25 March 2015.**
