RE: RELEASE OF 2020 ITU SHORT QUESTIONNAIRE

1. The Independent Communications Authority of South Africa (the "Authority") hereby notifies you of the release of the International Telecommunications Union's ("ITU") Short Questionnaire on telecommunications statistics.
2. The ITU collects data for World Telecommunication/ICT Indicators from member-countries (through their communications regulatory authorities or ministries) by means of two annual standard questionnaires (the Short and the Long Questionnaire).
3. The data collected is used to update the World Telecommunication/ICT Indicators database, which is the basis for ITU's statistical publications, including the Yearbook of Statistics and the World Telecommunication/ICT Development Report. The Short Questionnaire consists of 14 indicators.
4. The Authority kindly requests that you complete the attached questionnaire and submit the requested information (in Excel format) to the following email address: ictindicators@icasa.org.za by **19 March 2021**.

5. Please note that stakeholders who need to complete and submit the requested information include resellers.

For any queries, please do not hesitate to contact Mr. Vincent Nesengani: Lead Statistician on 012 568 3687 or email to VNesengani@icasa.org.za.

Yours sincerely,

V Molete
