EXPLANATORY MEMORANDUM ON THE AMENDMENT OF THE PROCESSES AND PROCEDURES REGULATIONS FOR INDIVIDUAL LICENCES, 2010, AS AMENDED

1. BACKGROUND AND CURRENT REGULATORY FRAMEWORK

1.1. The Independent Communications Authority of South Africa (“the Authority”) has, under section 8 read with section 4 of the Electronic Communications Act, 2005 (Act No. 36 of 2005) (“the EC Act”), and section 17 of the ICASA Act, 2000 (Act No. 13 of 2000) decided to amend the Regulations regarding the Processes and Procedures for Individual Licences (“the Regulations”) under Chapter 3 of the EC Act.

1.2. The purpose of the amendment is to provide clarity on the Authority’s processes and procedures with regards to Individual Licences.

1.3. Amendment of regulation 1: Definitions

The Authority hereby amends the definitions contained in the Regulations as follows:

1.3.1. The definition of “**application**” is amended to be in line with the section 13 of the ECA which, in addition to speaking transfer of an individual licence, also speaks about transfer of control in an individual licence.

1.3.2. The definition of “**historically disadvantaged persons**” is amended to align it with the definition of historically disadvantaged persons as contained in the Class Processes and Procedures Regulations¹.

¹ Class Licensing Processes and Procedures Amendment Regulations, 2021, Government Notice No. 144, Government Gazette No. 44336 of 26 March 2021

1.4. **Amendment of regulation 4: Prescribed Forms**

Sub-regulation 4(1)(c) is amended to reflect: "(c) Form G: Application to transfer ownership *and/or control* of an individual Licence (Regulation 11);" in order for it to be in line with the section 13 of the ECA which, in addition to speaking transfer of an individual licence, also speaks about transfer of control in an individual licence.

1.5. **Amendment of regulation 5: Submission of applications and other documents**

1.5.1. Regulation 5 is amended by the substitution of sub-regulation 5(2) to reflect as follows:

"(2) Where any document is required in terms of these Regulations, it must be submitted to the Authority before 16h00 during working days. Further, if a document is submitted after 16h00, the document will be considered to have been received on the next day."

This insertion clarifies instances of uncertainty regarding when a document is deemed to be received in instances of late submission.

1.5.2. Furthermore, sub-regulation 5(1)(A) is substituted by the following sub-regulation:

"5(1)(A) Applicants must submit either one (1) soft copy of the application electronically (e.g., email) or two (2) hard copies (including an original) of the application as well as a soft copy of the application on a USB or a disc."

This insertion is aimed at streamlining the application submission process, making allowance for electronic submission where physical submission is not possible.

1.5.3. Regulation 5A is furthermore amended by the substitution of sub-regulation 5A with the following:

“(5A) The Authority will not consider any application if the Applicant is in arrears with respect to any fees and/or is not compliant with any other applicable regulations or the Act.”

This is to ensure that Applicants/Registrants are in overall compliance with relevant Regulations as well as to streamline requirements for Applications/Registrations.

1.6. Amendment of regulation 10: Application to renew an Individual Licence (section 11 of the Act)

Regulation 10 is amended by the deletion of sub-regulation 10(3)(a) and (b) as these provisions are already provided for in the relevant Form E.

1.7. Amendment of regulation 11: Application to transfer an Individual Licence (section 13(2) of the Act)

Regulation 11 is amended by the substitution of sub-regulation 11(2)(a) with the following sub-regulation:

“11(2)(a) publishes a notice in the Gazette and the Authority’s website of the application to transfer the Licence;”

This amendment was made necessary to make provision for the publication of applications on the Authority’s website, to not limit publication to the Government Gazette only.

Regulation 11 is further amended by the substitution of sub-regulation 11(3) with the following:

“11(3) The Authority will not consider any application if the Applicant is in arrears with respect to any fees and/or is not compliant with any other applicable regulations or the Act.”

This is to ensure that Applicants/Registrants are in overall compliance with relevant Regulations as well as to streamline requirements for Applications/Registrations.

1.8. Amendment of regulation 12: Restrictions on transfer and renewal of an Individual Licence

Regulation 12 is amended by the substitution of sub-regulation 12(1) with the following sub-regulation:

- “(1) The Authority may refuse to renew or transfer a Licence if the Licensee has not complied with one or more of the following:
- (a) Where the Licensee has been found guilty of a contravention by the CCC and has not complied with the order by the Authority in terms of section 17 of ICASA Act; or
 - (b) is in arrears with respect to any fees and/or is not compliant with any other applicable regulations or the Act.”; or
 - (c) Where the ownership and control of the Transferee (in a transfer application) or Applicant (in a renewal application), by historically disadvantaged persons is less than the percentage prescribed by the Act and the Regulations in respect of the limitations of control and Equity ownership by historically disadvantaged groups (HDG) and the application of the ICT sector code (“HDG Regulations”).”

The aim of this amendment is to ensure that Applicants/Registrants are in overall compliance with relevant Regulations as well as to streamline requirements for Applications/Registrations.

The referral to the HDG Regulations for any ownership and control requirement is to make allowance for any amendments that may take place in the HDG Regulations.

1.9. Amendment of regulation 13: Surrender of an individual Licence (section 12 of the Act)

Regulation 13 is amended by the substitution of the entire regulation with the following:

- “13 Surrender of an individual Licence (section 12 of the Act)
- (1) A licensee may surrender its Licence by submitting a notice as set out in Form I.
 - (2) The notice referred to above must be submitted in no less than ninety (90) days prior to the date determined by the licensee, on which the surrender of its licence will take effect and on which it will

cease to provide the services in respect of which the licence was granted.

- (3) A Licensee may not cease providing services prior to having submitted a notice for the surrender of its licence to the Authority.
- (4) A licensee that intends to surrender its licence must take appropriate steps to inform its end-users/listeners/viewers of its intention to cease providing its services two (2) months prior to the cessation of such services. The abovementioned notification to end-users/listeners/viewers and contemplated period shall take place within the ninety (90) days as set out in sub-regulation (2) above.
- (5) All amounts due and payable to the Authority must be paid within one calendar month of the date on which the service provided in terms of the licence is discontinued, except where the Authority, upon the request by the licensee and on good cause shown, extends the said time in this regard."

The reason for the amendment is to protect customers/listeners/viewers by providing timelines within which the licensee must inform customers/listeners/viewers of its intention to cease operations. The rationale for one calendar month in respect of payments is premised on how debtors are aged.

1.10. Amendment of regulation 14A: Notice of change of information in respect of an individual licence

1.10.1. Regulation 14A is amended by the substitution of sub-regulation 14A (2) with the following:

"14A (2) A licensee must submit the notice within fourteen (14) days of the change occurring where:

- (a) name, and/or trading name or contact details of the licensee changes;

- (b) Type of the service/s provided in terms of the licence change (only applicable to ECS and ECNS);
- (c) shareholding (Refer to 14 (C) below);
- (d) Principal place of business; and
- (e) Postal address.”

The reasoning behind the amendment is to grant additional time within which a licensee must submit the notification change; and to align these Regulations with those of class licences in this regard.

Furthermore, the inclusion of trading name is to ensure that licensees do not change their trading names to ones similar to other licensees, thus causing confusion for consumers, etc.

The reason for the insertion ‘principal place of business’ is because in most instances the Authority has found that the physical address provided by stakeholders is not necessarily the principal place of business. The term “principal place of business” is in accordance with section 5(8)(b) of the Electronic Communications Act, 2005, as amended and is essential for compliance monitoring.

The insertion of ‘postal address’ is to ensure adequate contact details for the licensee.

“14A (3). A notice submitted to the Authority in terms of sub-section (2), outside the prescribed 14 days, must be accompanied by a fee as may be determined by the Authority from time to time.”

The insertion of sub-regulation 14A (3) has introduced a fee that will be applicable to notifications that are filed outside the prescribed time period of 14 days. The aim of the introduction of the fee seeks to deter licensees from submitting late notifications and to promote the integrity of the Authority’s database and records. In order to give effect to the introduction of sub regulation 14A (3), the Authority will in due course publish the applicable fee.

1.10.2. Regulation 14A is further amended by the insertion of the following sub-regulation after sub-regulation 14A (2):

"14A (4) The name and/or trading name of the licensee may not be changed to the extent that it may conflict or be confused with the name and/or trading name of another licensee."

The reason for the insertion of this sub-regulation is to ensure that licensees do not change their trading names to ones similar to other licensees, thus causing confusion for consumers, etc.

1.10.3. **Amendment of regulation 14C: Changes in shareholding**

"The following regulation is hereby substituted for regulation 14C of the Regulations:

- (1) In the event a licensee proposes changes to its shareholding, however minute, the licensee must submit to the Authority, prior to implementing the proposed changes, a letter detailing:
 - (a) Current shareholding;
 - (b) Proposed changes in shareholding; and
 - (c) Past shareholding changes since the issuance of the licence.
- (2) If the Authority determines that the submitted changes amount to changes in ownership/transfer of control, the Licensee will be instructed to make a submission in line with regulation 11 read with regulation 12.
- (3) If the Authority determines that the submitted changes do not amount to changes in ownership/transfer of control, the Licensee will be instructed to make a submission in line with regulation 14 (A)."

1.11. **Amendment of regulation 15: Publication of the notice for online application process**

Regulation 15 is amended by the substitution of the entire regulation with the following:

"15. The Authority may by means of an Invitation to Apply ("ITA"), published in the Government Gazette and/or the Authority's website, allow

applicants to lodge applications through an online application process on the date to be determined by the Authority.”

The reason for this amendment is to make allowance for the Authority to publish ITAs on its website as well as in the Government Gazette.
